

WebEOC Login

Step 1

Go to the Bureau of Homeland Security homepage

<http://bhs.idaho.gov>

At the bottom of the navigation bar click the WebEOC log in button.

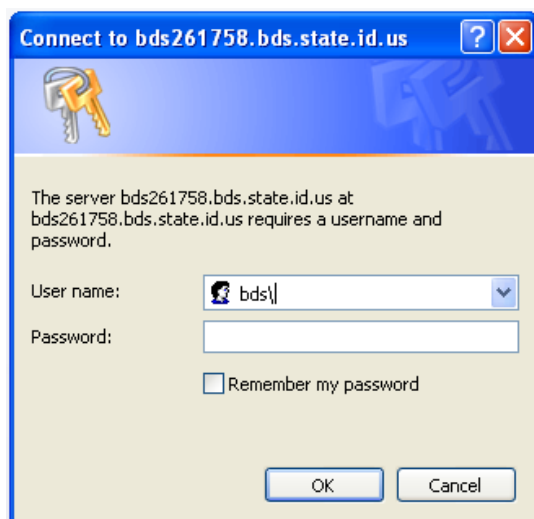

WebEOC Login

Step 2

Enter your BHS Server login. Use your BHS server password not your WebEOC password.

Username: bds\kdehart or kmdehart

Password: "BHS server password"

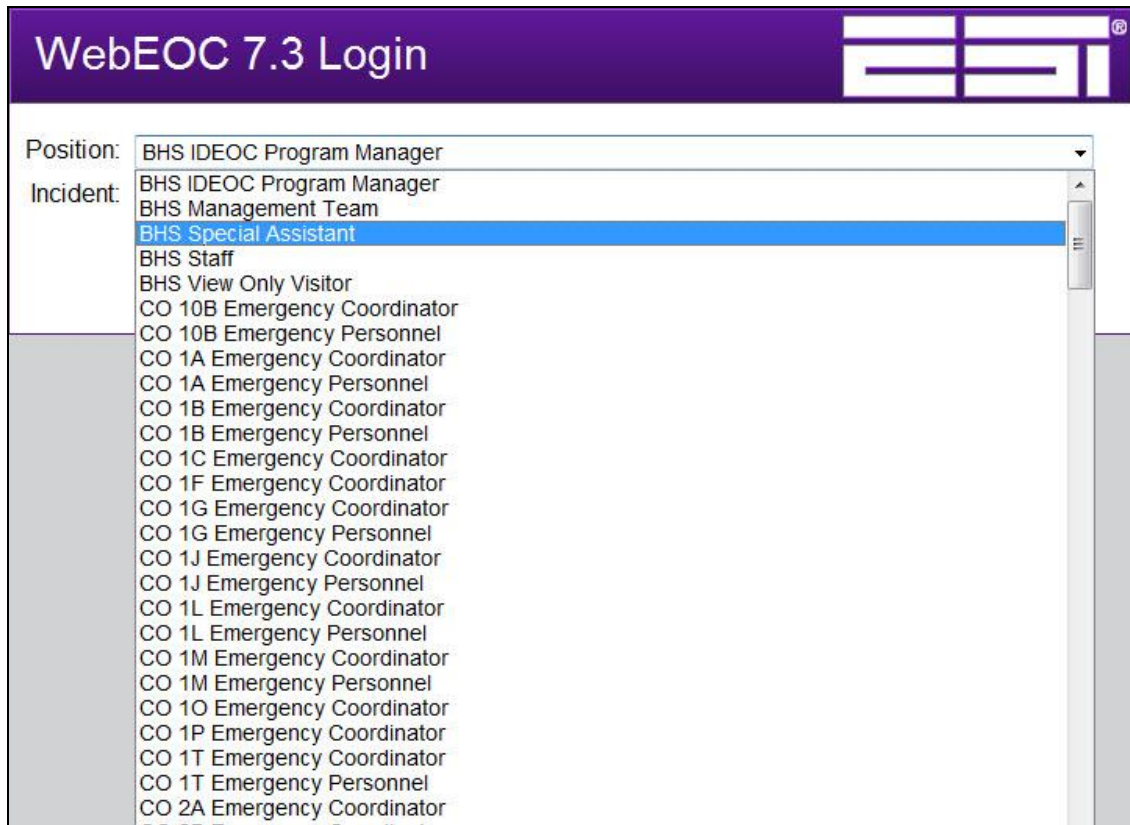

- *This is not the WebEOC login*

- *"bds\" must precede your username*

Step 3

Select your Position, most people will only have one option.

Select Current Incidents if you want to view all active incidents or select the specific incident if you want to only view information related to that incident.

The image shows the WebEOC 7.3 Login interface. At the top, there is a purple header bar with the text "WebEOC 7.3 Login" on the left and the "ESI" logo on the right. Below the header, there are two labels: "Position:" and "Incident:". The "Position:" dropdown menu is currently set to "BHS IDEOC Program Manager". The "Incident:" dropdown menu is open, displaying a list of options. The option "BHS Special Assistant" is highlighted in blue. The list of incidents includes:

- BHS IDEOC Program Manager
- BHS Management Team
- BHS Special Assistant
- BHS Staff
- BHS View Only Visitor
- CO 10B Emergency Coordinator
- CO 10B Emergency Personnel
